*Waterfront Place Hotel
Morganton, West Virginia*

Tuesday September 1st

9:30 am -10:30 am

Title: Brownfields 101: Identifying and Implementing a Brownfields Strategy

Description: What is a brownfield? How are they identified? How is a brownfield site cleaned up? This interactive presentation will answer these questions and discuss strategies for planning site redevelopment. The session will provide an overview of West Virginia Brownfields Assistance Centers and the tools that are available to communities to help them establish and implement redevelopment plans. Basic funding options, including upcoming grant opportunities, will also be discussed.
